## BRAVES TAKE JUNEAU IN A THRILLER

Former EAGLES, now at Edgecumbe led the attack. William Anderson leading with 23 points followed by Albert Kookesh with 16. Jeff Klanott provided the clincher with the final bucket in the last three seconds of overtime play. BRAVES OVER JUNEAU 76-75.

## SATELLITE BLAST OFF DANCE WAS FUN

On December 31, 1966, two dances were held at the gym from 7:00 p.m. to 12:15 a.m. The dances were sponsored by the Student Council. The first dance was held from 7:00 to 8:45 p.m. for the children under 12 years of age. They did all kinds of dances. The children had their snacks and got hats to wear.

Burt Merculief, Julian Tumalak and Byron George played music for the dance.

The second dance was for the boys and girls who were 13 and older. Refreshments were given out to the students that had tickets. They gave the tickets to the servers and then they gave the students their refreshments. The goodies were sandwiches, coffee, popcorn balls and cupcakes.

The gym was fully decorated and a bag of balloons hung in the middle of the ceiling. The bag was torn open at 12:00 midnight and the balloons were all popped by the students.

All the students had a lot of fun and wish to have another dance like that.

## CHRISTMAS DINNER WAS GOOD

On December 25th we had a Christmas Dinner here at Wrangell. All the students in the boys dorm had to wear white shirts and a pair of dark slacks. The Students enjoyed the Christmas dinner very much. We had turkey and mashed potatoes and other foods that the students like. And that night after supper as the students were going to the dorms, at the door of the dining hall, they were giving out candy, nuts, oranges, and apples. The little kids were very happy to get them. Everyone is wishing that next Christmas would hurry and come so that the good things could happen all over again.

The A Squad played a game with the town JV's and won. All the boys put up a real good fight. The first half score was 17 to 5 in favor of the Eagles.

At the end of the game the score was 42 to 24 in favor of the Eagles.

Scoring for the Eagles were Trenty Mercurief 2, Bert Mercurief 8, Eugene Asicksik 6, Ken Selanoff 2, Byron George 9, William Albert 9, Dimitri Johnson 2 and Henry Horner 4.

In the game on the 6th of January, the B squad from Wrangell Institute played the Junior High of Wrangell. The B Squad really tried and worked hard at trying to win. The B Squad lost by the score of 15 to 30. They hope to win the next game.

This girl is a very nice girl. She is very helpful and I think she is very considerate. She is usually seen with F.W. Her favorite dance is the Jerk. She is also well known around the campus. Her favorite sport is a question.

WHO DO YOU THINK SHE IS????

This boy is from Angoon. He is very kind and has a good personality. He likes to play basketball and plays very good. His favorite dance is not known. He rarely goes to dances. He is usually seen with W.A. He is in Mrs. Smith's room. He too is also well know around the campus. He is between short and tall. His hair is maybe black.

WHO DO YOU THINK HE IS????

## LETTERS

---

Dear Students,

May we wish you happy holidays along with our thank you for sending us the Wrangell Eagle.

We enjoyed the news, the sports, the art and the photography. A special thank you to Frances Wilson and Eugene Asicksik whom we met in Juneau when they represented you at the meeting here in Juneau.

Congratulations on your fine school paper.

Mr. & Mrs. Owen Morken

Dear Mrs. Walker,

All the students were very thankful for the wonderful Christmas dinner you and the other staff members helped served.

It was very nice of you to help. I'm pretty sure the kitchen detail boys were very pleased for not having to serve such a big dinner.

We all had a very Merry Christmas.

Frances Charlie

Dear Mrs. Walker,

The Christmas dinner was the most fabulous dinner we ever had. We were surprised to see the staff and the others who served our dinner. The dinner was so good and tasty that I wanted some more.

We enjoyed the dinner very much. Also the activities were just great. And we had lots of fun. Everybody had a happytime.

We want to thank all of the staff members and also the teachers who made our Christmas holiday a very happy one.

Dearest Mrs. Walker,

I think I had a wonderful week-end. Also hope you had a wonderful week-end, too.

Thought it would be nice to thank you for all the activities we had this Christmas week-end. Keep up the good works.

When I first came here, I thought I hated this place, I found out it is a nice place to stay.

I will try hard in school. Also, I am glad I came here.

Also, thank the staff members, too.

Alice Amaktoolik

Dear Mr. Watkins,

I enjoyed my Christmas dinner with you and other members of the staff serving. It was quite a surprise when I saw you and the other staff members serving.

Most of all, I enjoyed the Christmas holiday. Thank you very much.

Jerry Gardiner  
Group VI

Dear Mr. Watkins,

I want to thank you, Mr. Watkins, and all of the staff members for what you did for us on Christmas Day.

Also, I'd like to thank all of you who were serving in the dining hall.

We really appreciated you and Mrs. Walker for talking to the boys and girls in their dorms.

I will try not to miss school, and my dad wrote to me not to miss school. He also told me not to be naughty to other boys and girls.

If I have a problem, I'll talk to you or to the other staff members, or to our instructional aids.

Salome Jones

### STUDENTS GET GLASSES

Some students on campus finally get their glasses. Some students have glasses for long distances, and some have glasses for short distances. The money that was used for the glasses, came from the carnival held in November. Some of the boys who wore glasses before had their old ones replaced. They also received elastic bands to keep their glasses from falling. The students were told not to leave their glasses around or let other people wear them because they could be broken, and besides, replacing them will take a long time.

### STUDENTS GO HOME FOR CHRISTMAS

Some students got to go home for the Christmas holiday. This is the first year that students from Wrangell were allowed to go home for Christmas. Four students went home to Angoon. The students were: Nellie Kookesh, Arlene Albert, John Hunter and William Albert. The students that went to Ketchikan were: Claudette Frank and Patrick Deeds. The students that went to Lebel Island were: Stella Benson and Benjy Beson. They left on Friday the 23rd of December, and they came back on Tuesday the 27th of December. They seemed to have had a nice time at home even though it was for just a few days.

### A TRIP TO PAT'S LAKE

On January 2, some boys and girls went on a trip to Pat's Lake which is about five miles from the Institute. The boys and girls that went had to have high points in their sections from Thursday to Thursday.

The boys that went saw a beaver house. They said it was good building for a beaver. They also said the lake was frozen but not good to skate on. The supervisor said that some men fish here during the winter and catch a lot of fish. There were many other things to see. Try to get high points so you can go on the trip. You will like it.

....John Joseph

### MY CHRISTMAS VACATION AT HOME

Four of us went home to Angoon for Christmas. Angoon is only about 60 miles from Wrangell. It takes us forty five minutes on way. I thought I was not going home. When I got home for two days I found out I missed Wrangell and my friends. Now I don't want to go home until the end of school.

### NEW YEAR'S DANCE A SUCCESS

The New Year's Dance was a great success. The Student Council and everyone that helped in decorating the gym had a lot of fun doing it. After they finished, the decorations looked very pretty.

All students think that the band did a very good job. They were also a great success. Everything worked out just perfectly. Everyone had a lot of fun.

### INSTITUTE WELCOMES NEW STUDENTS

Here at Wrangell Institute we have three new students from Metlakatla. The girl's name is Sandra Hewson. She has two brothers named Wayne and Walter. Sandra is a good girl. She is beginning to make friends with other girls here at Wrangell Institute. Here is hoping they will enjoy being at Wrangell.

### BOYS DORM G.I. INSPECTION

On December 28, 1966 the Boys Dorm had a G.I. Inspection. Mr. Hefelbower was going to give the Inspection. The boys had to wash all the walls from top to bottom and wash and wax the floors. The beds had to be made just right so that a quarter could bounce on the beds.

All the Sections passed the inspection. The dorms look a lot better. There should be a G.I. Inspection more often.

...Eugene Asicksik

### THOUGHTS ON EDUCATION CHANGE

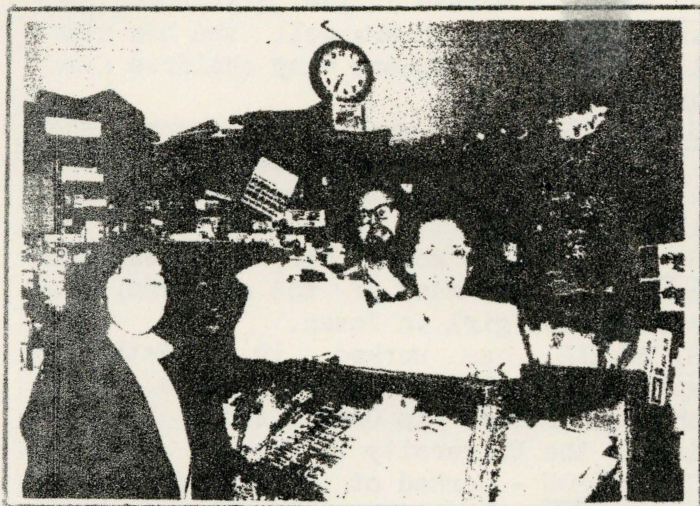

When we were small we thought an education wasn't very important. Some of us plan to quit as soon as we turned sixteen years old. Today education means a lot to us. It means learning new things every day and a good job in later life. We may get homesick at times but just stick to your homework and get in as many activities as you can. Now that you're in school stick to it and try hard.

### RESPONSIBILITY

Is this one of your traits? Is this something you need? Is this something you can do without? Do your friends have this?

RESPONSIBILITY is the act of being RESPONSIBLE and RESPONSIBLE, according to Webster, is "accountable for one's behavior or for an act" "an obligation". RESPONSIBILITY is something you don't have when you are born. You cannot buy it or borrow it. It is something you must develop.

In all walks of life it is the RESPONSIBLE person who gets ahead, who has all the breaks, and who is looked up to by others. People without RESPONSIBILITY are not going to be a success. They will be a hopeless failure.

If you are wondering if you have RESPONSIBILITY, ask yourself these questions:

Do I do my work without having to be told?

Do I care about myself and how I act?

Do I get to places on time?

Do I turn in my assignments when they are due?

Do I respect others and their property?

If your answer to all these questions is "Yes," then you are well on your way to being RESPONSIBLE. However, if you answered "No" to any one question, you need to get busy and work so the answer will be "Yes."

Make RESPONSIBILITY one of your characteristics.

Martin L. Heflebower  
Department Head, Guidance

MRS. WRIGHT - worked in the clinic for ten years. She lives in Wrangell and has nine children. She remembers many children from years back.

MRS. KEREHNER - has worked in Anchorage and Mt. Edgecumbe hospitals. She has seven grown children and enjoys taking care of the children at W.I.

MRS. LYTLE - also worked here last year and remembers a good many of the children. She has one grown girl in Texas.

MRS. MOWRER - has worked in the Bethel hospital and also in Barrow. She has a mother and father in Oregon and a brother going to the University in Oregon.

MISS WOODSON - worked at Mt. Edgecumbe last year, and the last three months of last year at W.I. She has a mother and father in Minnesota. Her brother goes to the University in Minnesota.

### *Band And Chorus*

On November 11, 1966, which was a holiday for our students, the band and chorus made a trip to town to observe a rehearsal of the high school band. We listened to several different marches. The students felt the trip was profitable and interesting.

On December 2, 1966, the pep band played for the basketball game between the JV's and the Institute. This was the first time a pep band from this school has played for a basketball game. The boys and girls in the band did a very good job.
